Children's Ministry ~ Tonya Hawkins

We are going to spring into April with some new changes. We will be starting some new Sunday Worship material beginning on April 7th. We will start Kids Worship at the same time as Adult Worship! We will have check in time from 10:45 am to 11:05 am and our youth will be helping us. We will still have Sunday School for families that attend.

This will provide a full hour of learning about the love of God. It will allow our parents to worship and know that their children are worshiping and learning at the same time. It will create an environment of purpose, serving, and worship for our youth. It will allow them to be instrumental in the God experience of our children.

As usual there are always challenges when making changes, so please be patient with us as we try to take strides to bring more people to Christ.

Train up a child in the way he should go, even when he is old he will not depart from it. Proverbs 22:6

Sounding out the Good News!

Not only is Spring officially here but so is Easter. Later this month on April 21st we along with our Brothers and Sisters around the world will celebrate the resurrection of Jesus Christ our Lord and Savior. If you have not done so, please make plans to invite your friends and your family to join you Easter Sunday.

A couple of quick things I would like to mention along with Easter, just to make you aware of upcoming events. First, let me mention there are some changes taking place in the Kid's Ministry. Please know that most people that come to know Christ do so between the ages of 8-18. This makes this ministry incredibly important. Please support Tonya and all the other leaders as they strive to share the Gospel with more and more young people.

Second, we have an outreach event called Summer Jam that will be taking place here on May 25th. There will be more information coming regarding this event. However, for a point of reference this is not an event to get people to our church, but rather our church into the lives of people. We will do our best to make and build connections that will ultimately connect families.

Finally, our Youth are going to Central Illinois in June for a Missions Trip. Please keep them in your prayers as they prepare to help a couple of churches with their VBS. Pray for our leaders as well. I can't wait to see what God does through all the things that are going to take place the next couple of months.

As always please make plans to be here each Sunday. We aren't really us without you. Love you all.

In Christ,
Pastor Quinton
