

Student Ministry ~ Brent Smith

This weather that we are experiencing is a little challenging for us all, but I feel during this time God will give us the ability to be patient with others, kind to others as we go through cabin fever, and choose to love one another as He would want us to.

This Saturday, February 2nd, we, the youth group are going to 'Winter Jam' at Rupp Arena to enjoy the music of Mandisa, News Boys, Newsong, and various other Christian singers. We also are planning a Valentines Day party on the Wednesday, February 13. We will be doing candy grams and having some pizza as well.

Also, next month we are looking to possibly have a 'March Madness' event for the youth on a Friday or Saturday, because we believe the Wildcats will most definitely be part of the madness and I am hoping for the Final Four!

We are currently doing a study on Wednesday nights on a series called "Alpha Youth", which looks into different topics like "Jesus, who is He? Why did He die? Prayer, Faith and other wonderful topics. The study also presents questions for the youth and gives them the opportunity to express their thoughts. During this 12 week series we will take a break on the last Wednesday of each month for game night and other activities.

Once again I would like to thank you, our church family, for your support and also our youth team for all their efforts in helping raise the youth of Trinity.

God Bless and stay warm,
Brent

Children's Ministry ~ Tonya Hawkins

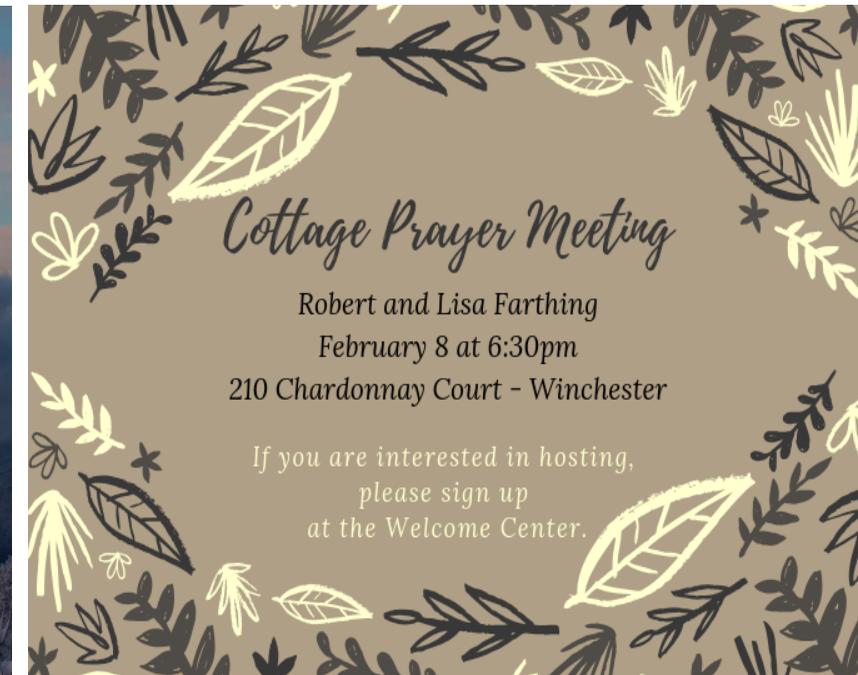

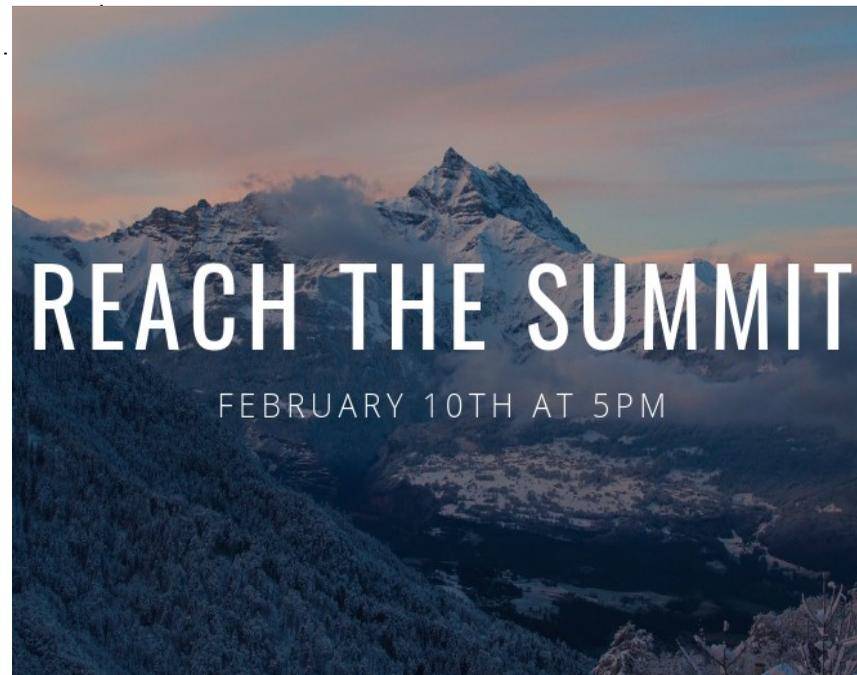

Trinity Kids has been postponed a bit due to the weather, Hopefully in February we will be able to get back together.

We spent last year trying to get organized and figure things out, This year we hope to do new things and bring excitement about!

So as we try to continuously improve the kids' learning and play, Please continue to be patient and pray.

There are lots of thoughts and ideas we can do, Mainly to teach the kids that God loves them and we do too!

We love because he first loved us. 1 John 4:19

We have many ways for you to keep in touch with what's happening!

February 2019

Sounding out the Good News!

We are finishing up our 21 Days of Fasting and Prayer. I pray you have developed some daily habits that will carry you forward for the remainder of this year. I also pray you were able to let go of some things, even if temporarily, that have been a struggle for you in the past. If we have collectively sought the Lord to begin the year I expect God to do great things in our midst.

February is the time of year to make a push. When I coached basketball this was the time of year we would try to hit our stride to make a post season run. The habits that have taken root through the previous month are now paving a way towards new goals set at the beginning of the year. How you approach February can make a huge difference in the rest of your year.

For you, have you decided what to do? How will you approach this month? Will you use the momentum gained in January and make a push through February? Or will you use February as a resting period? I believe those that use this month to press in will see major growth this year. Those that try to rest will then have to ramp back up next month. A ball rolling is easier to steer than one that is stationary.

Yes, with all of this I am talking about your relationship with Jesus Christ. Will you make the decision to make the most of this year in your relationship with Him or will you sit back and let whatever happens happen? Press in! Make sure your desire is to know Him more and more intimately next month than you did at the beginning of this month. Set that as your goal for the rest of the year. If you do that, this will be your best year EVER!

In Christ,

Pastor Quinton
