

## Student Ministry - Brent Smith

Hey Folks,

As we start the beginning of what has already been a hot and humid summer I would like to update you on what has been happening in the Youth Ministry. Well, our mission trip to central Illinois was a great time and a great learning experience for both the youth and the leaders. It was my first time on a mission trip, so I am truly thankful that Pastor Q was with us and I thank him for his guidance and leadership.

We had seven youth go and they all performed outstandingly. Jesus says in Matthew 20-28 “For even the Son of Man came not to be served but to serve others” and that’s exactly what our youth did. They all served together as a team and also as individuals. They all connected with different people daily, both in the morning and the evening. We did a block party for a small community of 700 population at their local playground and had kids come to have fun and to learn about Jesus and His love for them. Then in the evening we went to a church in another town to help them with their VBS and to share in their ministry and fellowship. Their congregation on a good Sunday was 30, but we had plenty of kids to lead in worship, recreation, Bible study and other activities.

I can say I’m very proud of our youth and their commitment to serve and to step out of their comfort zone to travel outside of Kentucky. So I want to personally thank each one of them: Katie, Lauren, Kelly, Makayla, Sami, Landen and Nevaeh for all their efforts during our time away. We at Trinity have youth with leadership skills and so many other gifts that God has blessed them with. I would also like to thank Caryn and Melody, because without them our ministry wouldn’t be what it is and our mission trip couldn’t have gone as well if they had not been with us.

So now we are looking toward our VBS on July 15 - 17, and I hope and pray that ours will be a wonderful event and that the kids will come to have fun and to learn about Jesus and His love for us all.

Also, we will be having a back to school cookout at my farm before they start the new school year.

I thank you, our church family, for your support and prayers for our Youth Ministry.

God Bless,  
Brent

July 2019

It's definitely summertime now. The temperature has risen. Vacation mode has hit and folks are hanging out at the beach. Make sure you take the time to get out in the beautiful sunshine. However, be safe and use plenty of sunscreen.

With summertime comes VBS and ours will be in full swing later this month. Please make sure you find a way to help out. Even if you can't help lead the children it doesn't mean you are not needed. There will be food bought and supplies needed. Talk to Brent Smith or Tonya Hawkins and find a way to help.

This month I will also begin a new sermon series that will allow us to dive deeper into our Core Values. With the information YOU provided our Reaching the Summit team they uncovered four Core Values:

1. Accepting others as Jesus Christ has accepted us.
2. Building community by loving God and serving others.
3. Connecting families to God and each other.
4. Dedicating daily to Jesus through His word and His works.

As always, please know that I love you, but more importantly, Jesus loves you. I look forward to seeing you soon.

In Christ,

Pastor Quinton
