

Student Ministry ~ Brent Smith

Well folks, I hope and pray that everyone has survived this crazy weather we have had since the beginning of the year. I know personally for myself it gets a little frustrating working outside with the mud and the cold and the rain. But I do know that it could be a whole lot worse as we look at other parts of the country that have gotten slammed by a lot worse than we have experienced.

Well as we continue on in 2019, we in the youth ministry enjoyed our Valentine's Day dinner and the candy grams we made and handed out in the Wednesday night prayer meeting. Our attendance for Wednesday nights is currently averaging about 12 youth per week which is great to have these young folk come together and interact with each other, whether it be during our study time with questions about the study or on game night which we have once a month. I am thankful for their attendance and their desire, I hope, to draw closer to God.

We have tentatively set our date for our mission trip to Southern Illinois. We are looking at the first week of June and we have started the process of training up our youth to become leaders as we will be involved in Vacation Bible School at a couple of churches during our time away. So I do ask you, our church family to be in prayer for our youth as we prepare for this upcoming event.

I thank you for all your support of myself, and our team and our ministry because we have a unique group of kids from many different backgrounds and I praise God for bringing us together as one group to learn more about Him and His love for us all.

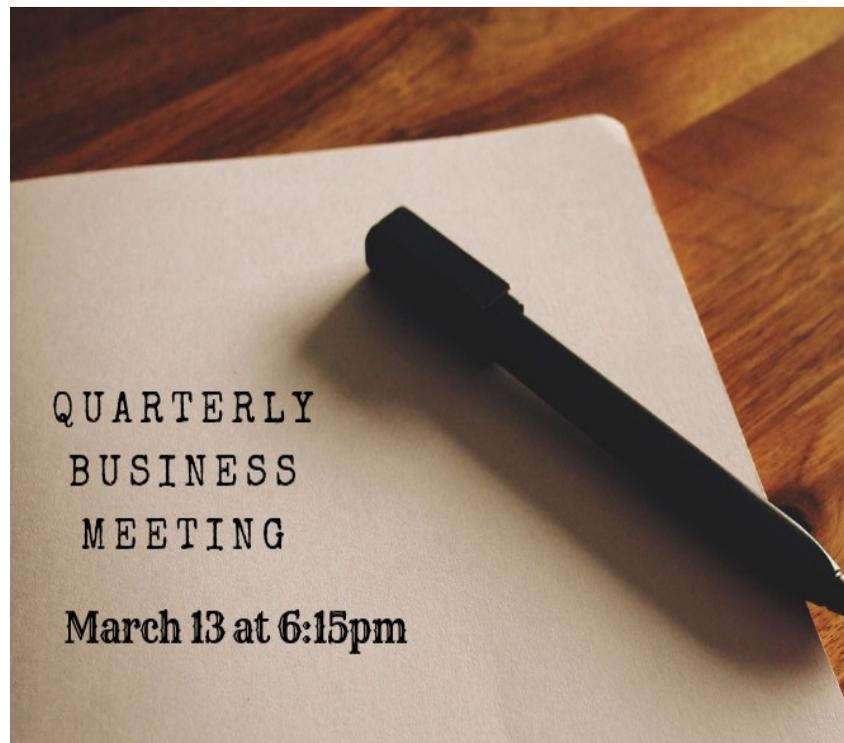

God bless,
Brent

March 2019

Sounding out the Good News!

Time marches on. Right now it is marching right into March. It is hard to believe how fast the year has gone so far. January and February have come and gone and we are into what the basketball world calls March Madness. The reason it is termed that is because literally anything can happen and usually does happen.

With that as the backdrop we will begin a new series called, "Christ in the Crisis." The emphasis during the series will be dealing with the opioid epidemic in Lexington and the entire Appalachian Region. This is a series you are "not gonna wanna miss." We will have a few short videos to accompany the preaching during this series. Make plans to attend and to invite your friends and family.

Speaking of which, did you know that 80% of people polled said they would attend church if they received and an invitation from a friend? Also, statistics tell us that that 1 out of every 4 people you invite to church will attend. So how many people do you plan to invite over the next two months as we march toward Easter? If you have invited six people over the last couple of weeks and have not had a good result, then praise God because it is likely the next two people you invite will attend. Of course if you don't expect people to attend when you ask them it is possible you will prove yourself correct.

Make every effort to continue marching through 2019 and towards your best year ever. I cannot speak to finances or perhaps other areas of your life but if you focus your heart, mind, and soul on Jesus properly over the next 30 days you will not be disappointed. See you Sunday!!!

In Christ,

Pastor Quinton
