May is National Stroke Awareness Month

A stroke occurs every 40 seconds and yet up to 80% of strokes can be prevented. This is why **Trinity Baptist Church** is hosting Life Line Screening, the nation's leading provider of Preventative health screenings, on **Friday, May 17, 2019**.

Screenings are fast, painless and affordable. Three key tests check for blocked carotid arteries, an irregular heart rhythm called atrial fibrillation, and high blood pressure, which are the three leading risk factors for stroke. Nearly 800,000 strokes will occur this year, taking a life approximately every four minutes.

Other tests offered are: aortic aneurysms and bone density. Screening packages start at \$139. Single tests cost around \$70 each.

See the insert in today's bulletin to schedule an appointment and take advantage of the Friends and Family Savings Coupon.
