Trinity Baptist Church is pleased to offer a preventive health event. Life Line Screening, a leading provider of community-based preventive health screenings, will host their affordable non-invasive and painless health screenings on May 17, 2019, between the hours of 9:00 a.m. and 6:00 p.m.

Five screenings will be offered that scan for potential health problems related to: Blocked Arteries, which is a leading cause of stroke; Abdominal Aortic Aneurysms, which can lead to a ruptured aorta; Hardening of the Arteries in the legs, which is a strong predictor of heart disease; Atrial Fibrillation or irregular heart beat, which is closely tied to stroke risk; and a Bone Density screening, for men and women, used to assess the risk of osteoporosis.

You may register online or by phone: the online line is: www.lifelinescreening.com/communitycircle or you can call 1-888-653-6450. We will have inserts in the Sunday bulletin in May for \$10 off (Friends and Family Savings Coupon).

Be sure to call Life Line Screening Team to schedule our appointment. All five screenings take 60-90 minutes and the cost will be \$139 with the coupon.

If you have any questions please contact a Life Line Screening Team member at 1-888-653-6450.

We have many ways for you to keep in touch with what's happening!

May 2019

Sounding out the Good News!

With so much activity on the horizon it is hard to stop and take a second and appreciate the season from which we just came. The Easter service this year lead by our Voices of Trinity and Pastor Shawn was moving. You appropriately invited your friends and family and our attendance was over 200 for the first time in quite some time. It made Easter 2019 incredibly special.

May will not let us rest. Mother's Day is always a big day. This year will be no different. Plan to invite your family to our services for Mother's Day as well. May also gives us an opportunity for outreach. We have an event on campus called Summer Jam on May 25th. This event will include music, food, speakers, games for kids, a hot air balloon and much more. We will need both volunteers and attendees. Please make plans to be here. Expect someone to be reaching out to you to let you know how you can help or be a part of this one day event.

Most people are in the mind of summer during the month of May. They are planning vacations, school is letting out, the weather is changing and it is easy to look forward to June, July, and August. Let me encourage you to stay in the moment. Enjoy the month of May. Make your relationship with Jesus Christ a priority this month. Make plans to be at church each week through the month.

As always know I love you and I am praying for you. See you Sunday.

In Christ,

Pastor Quinton
