Sounding out the Good News!

September 2017

As football season rolls around I often hear people talking about the young players in the NFL. "The game is starting to slow down for me a bit and I feel like I have an understanding of what is taking place," an unknown NFL Rookie claimed. That is exactly the way I feel. I am really starting to get my legs and whitts about me. It is not such a whirlwind anymore. You are getting a feel for me and how I do things and vice versa.

That being said you will find I am very enthusiastic. Life is just better when you are excited about it. One thing I am excited about is our celebrating the church's birthday. This is an opportunity for us to invite old friends and new ones. Let's see if we can get 200 in attendance for that day. I believe we can do it. Make plans to be here. You don't want to miss it!

We are walking now towards the Christmas season. Please continue to check your calendars for things going on here at church. Between events and parties our schedules are bound to start filling up and we must be prepared for it. It seems early to be talking about it I know but it will be here before you know it.

Sara and I would like to thank everyone on behalf of her family for the cards, calls, and concern during our recent loss. Your prayers and acts of kindness have been felt and mean more than you know.

Finally I want to leave you with a thought. What are you doing to make a difference in the life of someone who can do nothing for you in return? Each of us must be willing to invest in the life of others. Who is the top person on your list? If you can't name the person then you likely don't have someone in which you are investing. Change that! Imagine a church full of people investing in the lives of others with little regard for themselves. "Do nothing out of selfish ambition or vain conceit, but in humility consider others better than yourselves. Each of you should look not only to your own interests, but also to the interests of others." – Philippians 2:3-4

In Christ,
Pastor Quinton

PLEASE BRING A SIDE DISH AND SALAD/DESSERT

We had a GREAT First Friday in August. We weren't sure about our water activities due to the weather but the children wanted to so bad! It is amazing how small things can mean so much to them. Softball with water balloons and a water slide. No fussing, fighting or complaining. Just lining up to go down a \$1.00 slide!

We have several events planned for Fall and Winter. Our next First Friday will be October 7th. We are going to make crafts and cards for our Meals on Wheels clients, shut-ins and nursing home residents within the next few weeks. We may go visit some "old friends" on Sunday if we can get it worked out. We also hope to have a Children's Sunday so you can see what we have learned and what stewards we can be. It may be a little early but start thinking about those Christmas cards for when we open our post office!

I would like to say how proud I am of the kids and how much they have matured at learning to sit still, listen without complaining, fighting and whining. They are doing so good!

I also want to say thank you so much to all of you who helped us with school supplies and other items when we ask for them. We appreciate it so much.

Lastly, I would like to thank the best team ever. They are always so supportive and cooperative with ideas, games, crafts and assistance in any way. Thank you, Ann, Sarah, Joyce, Joetta, Terri and Lindsay. Thank you to Steve and Greg for driving the buses and all you do for us.

Blessings,
Ms. Tonya

Jesus said. "Let the little children come to me and do not hinder them, for the kingdom of Heaven belongs to those who are like these children." Matthew 19:14

September is arriving quicker than the Preschool is wanting right now. We are in full swing and growing in numbers each week! We are meeting new people and making new friends. Our lessons are being taught with smiles and joy and our children are learning with laughter and smiles. I always know when the children throw open the door and run to get to the rooms that we are doing a wonderful job in teaching and growing our children in Christ. I know in my own house, we talk (about things like this) constantly about our church friends and what happened on Sunday and Wednesday and what will happen again on Sunday and Wednesday. It is a wonderful feeling to know that all the children at Trinity are living like Christ and believing in His word and making life long friends.

I would love for you to experience our joys and laughter too. Please see me to volunteer one Sunday every so often.

See you at my door!

GeorgeAnn
