September is one of my favorite months of the year. High school, college, and professional football have all begun. Baseball season is winding down. It is Sara's birth month. All kinds of things to celebrate in September. Let us not forget it's also the month we celebrate the Birthday of Trinity Baptist Church. This is a big month.

September is also a month that people begin heading back to church. Vacation season is over and with everyone getting back into the routine of school, church is the next routine on people's schedule. That makes this season a prime season to invite your friends and family to join you for Sunday services. You can always invite them to our church birthday celebration. There will be food and who doesn't love a church meal?

With all the changes that are occurring on the outside of the church let's continue to keep Jesus the central focus on the inside. There are always reasons to get distracted by things that are going on around you. Stay focused. Abide in the VINE! Jesus says, "I am the whole vine." That means we must stay connected to Him to have life.

Let me encourage you to press in this month. Press in on your spiritual disciplines. Spend more time in prayer and personal bible study. Make sure that you get to services this month. If you normally don't attend on Wednesday nights plan on attending a couple of times. If you are not a part of Sunday school then sit in on a class or two during this month. Now is not the time to slow down. Now is the time to press in...Abide in the vine!

In Christ,
Pastor Quinton

We have been so busy this year that the Trumpet has been full of all the activities that I haven't written anything for a few months. I just want to give a little recap of the events we have had, the events that are upcoming and as always shout outs to those who help. Our Slides and Smores event in June was lots of fun. We had great weather and proof that things don't have to be expensive for kids to have fun. Half of the time they were playing in the puddles instead of on the slide. HAHA!

Vacation Bible School had an awesome turnout. We had many great volunteers and we had some familiar faces and some new faces in the Kids department. The kids were well behaved and learned about the love of Jesus while also having fun. Well we couldn't end it there!!! We filled backpacks for each one of them for school. We had a "Back Pack" to school event at Malibu Jacks. It was lots of fun watching the kids and some of the adults enjoy the games and rides.

A busy summer indeed! However, we couldn't have done it without you all. There are so many to thank that if I named names I am afraid I would leave somebody out accidentally. I would never want to leave anybody out and hurt anybody's feelings. I would like to thank the entire VBS TEAM for all their help with everything from registration, decorations, snacks, crafts, music, recreation and helping us teach about the Love of Jesus. I want to thank the youth, the Ezra class and all the others who made donations for the school supplies and for those who packed backpacks, we couldn't have done it without you.

So now be prepared to invite a guest October 31st to our upcoming FUNFEST.
